

THINGS TO KEEP AS SECRET TO LIVE A PEACEFUL LIFE

9

1. Don't share your **plans**
with anyone.

2. **Don't talk** about the **intimate details** of your lifestyle.

3. **Never talk** about how
heroic you are.

4. **Never declare** how to
enlighten you are.

5. **Never talk** about your family problems.

6. **Don't bring up** unpleasant things you have heard.

If you reached until here,
you're **self growth-oriented**,
and want to create
generational wealth.

Stay disciplined and keep
working!
